Who We Are

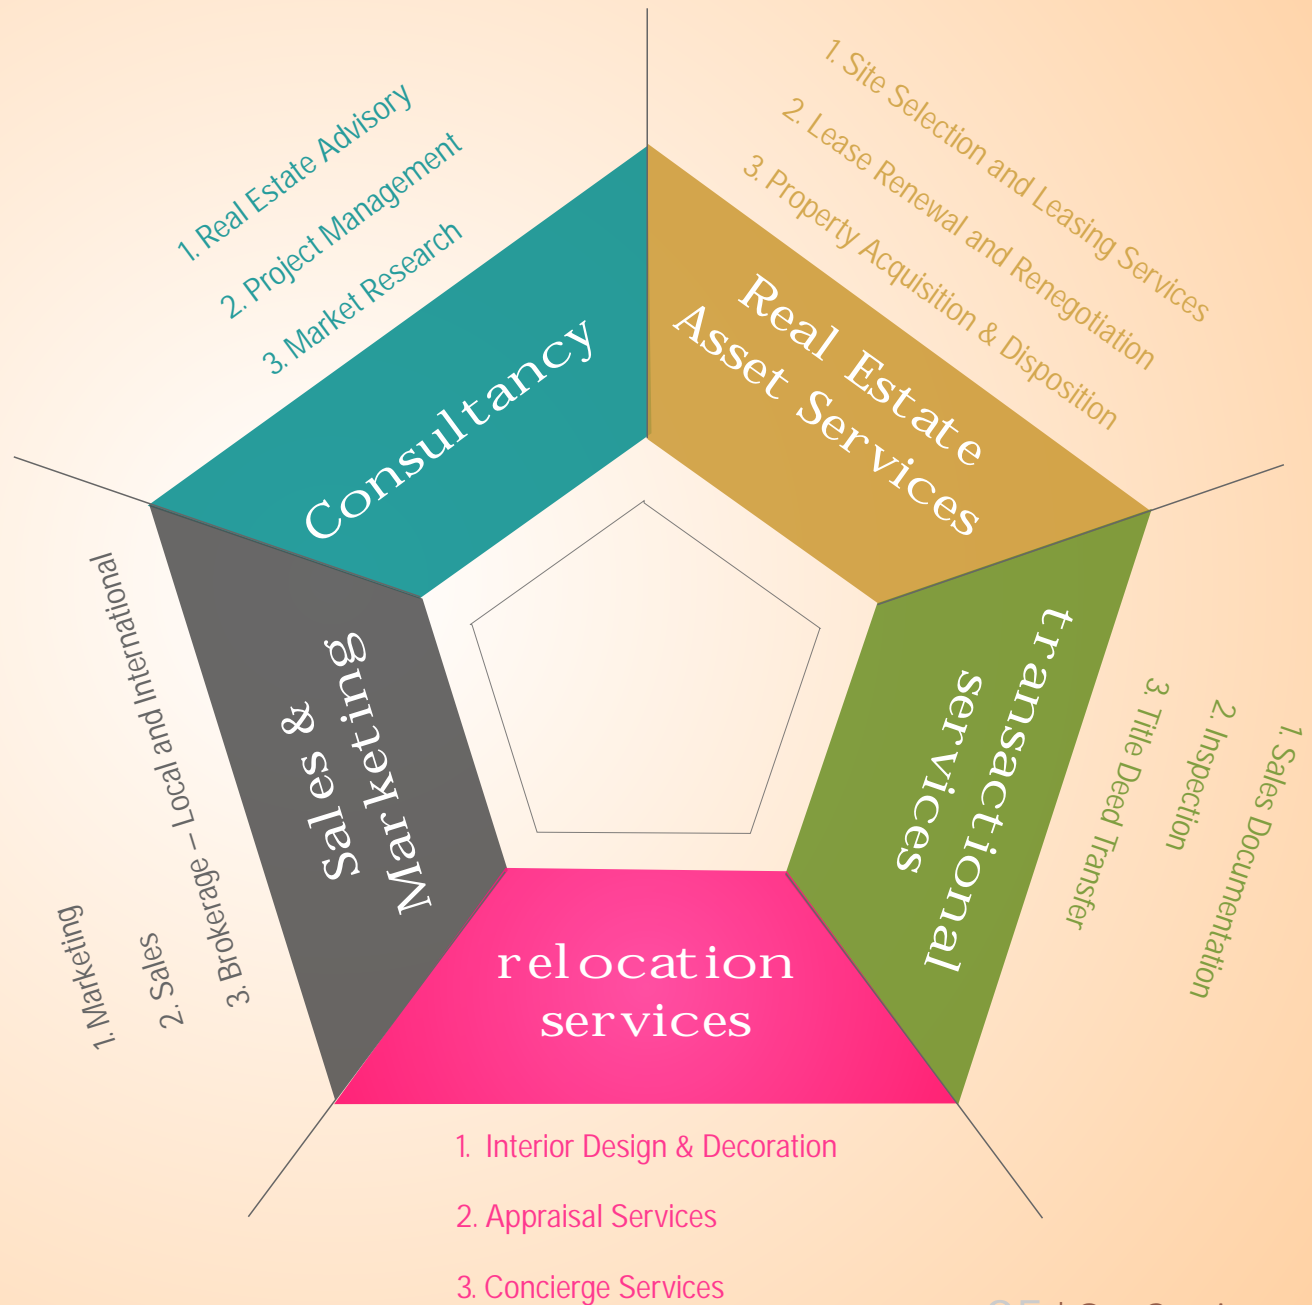

Over the years, we have built and maintained a vast knowledge base of the international real estate market in general and the Nigerian property market in particular.

We have the management expertise, strategic relationships and industry knowledge to help our clients navigate the complex world of real estate. We have a client focused approach in all we do, we work closely with owners, investors, consultants and corporate users of real estate to develop and execute real estate strategies for our clients, whereby we satisfy their requests.

We aim at improving operations, unlocking value, maximizing returns and minimizing risk.

Our Services

Real-estate Management and Consultancy

Our Services

Real-estate Management
and Consultancy

Hamilton Realty International provides a full range of services to local and foreign investors, buyers, and real estate lenders. Being a team of experienced professionals, we are dedicated to enhancing the value of client investments throughout Nigeria and beyond. Our primary business lines are real estate management and brokerage, real estate consultancy and advisory services.

In the field of real estate management, we are involved throughout the entire life cycle of a property from acquisition to disposition. A team is dedicated to enhancing the value of our clients investments in any location of their choice.

We offer a complete portfolio of real estate services, including sales and leasing of commercial and residential property, investment sales and acquisitions, project sales and marketing, property consultancy, mortgage services, interior decoration & design, and relocation services.

We conduct research studies and valuation surveys upon request. Hamilton Realty International also advises individuals and corporate organizations on growth strategies and real estate investment

London

Dubai

International Acquisitions

The world is our oyster; we have the ability to sell and acquire property in major countries of the world.

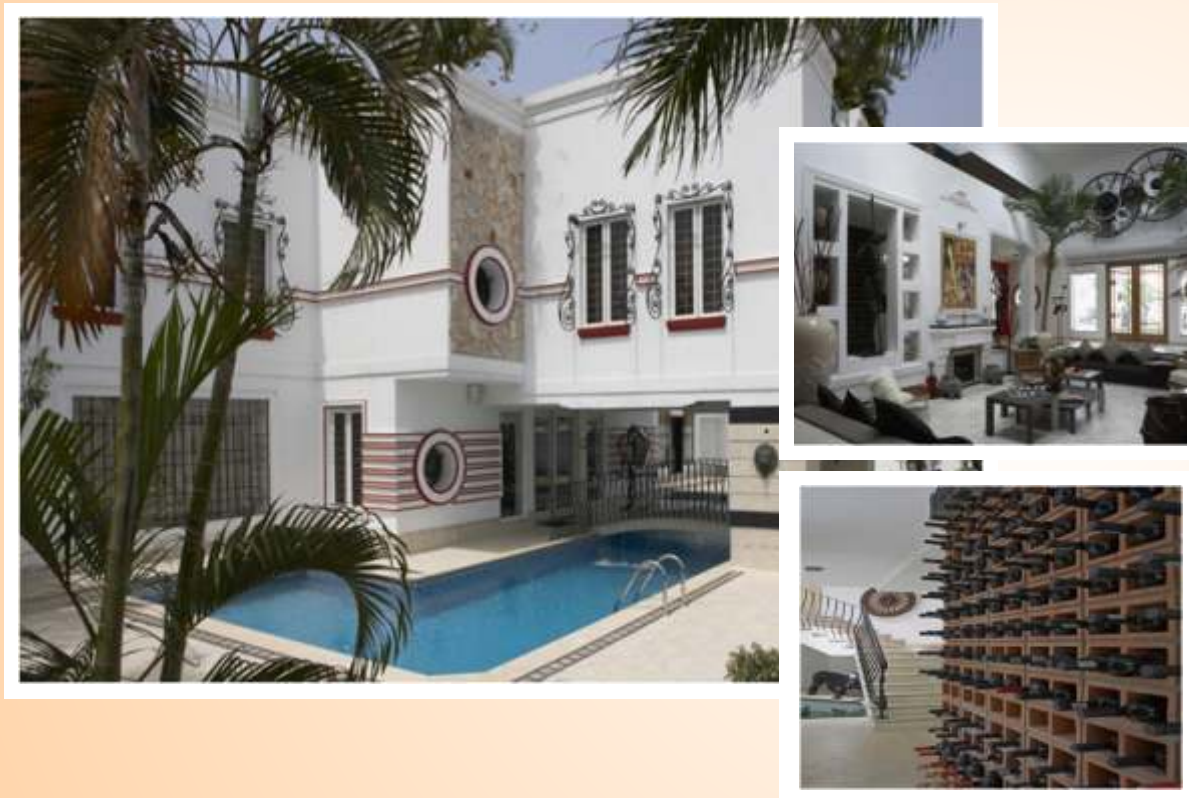

Having a Real Estate company that has experience, local knowledge and strategic partners in the international real estate space is crucial for timely and stress free transactions.

We have a network of estate agents and property developers in key

markets around the world.

We manage the whole process from start to finish and offer advisory services to ensure our clients make informed decisions. We do all it takes to protect our clients interests and can therefore go the extra mile to personally inspect properties overseas, ensuring our clients get the very best.

Our Track Record

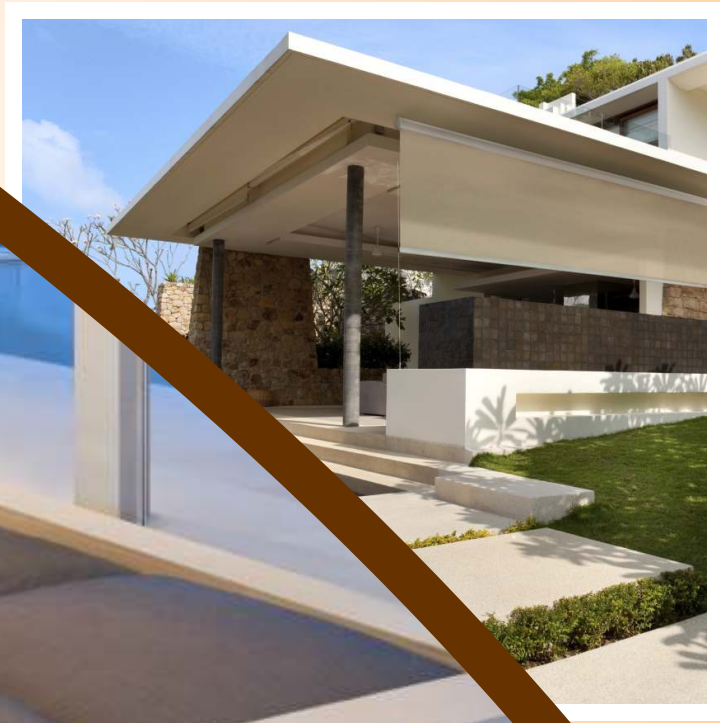

We have provided excellent real estate services to our clients over the years.

From property acquisition, management and real estate consultancy. We have worked with several reputable individuals and corporate organizations in Nigeria and internationally.

Some of them include:
